

IMPORTANT INFORMATION

**Documents required per
Federal Regulation
when opening a new account
or adding a new person to an account:**

The U.S.A. Patriot Act, a Federal law enacted to help the government fight the funding of terrorism and money laundering activities, requires All financial institutions to obtain, verify and record information that identifies each person who opens or is added to an account.

How this affects you:

When you open an account or are added to an existing account with Bloom Credit Union, we will ask for proof of your name, address, date of birth, and other information that will help us to identify you.

We will ask to see your driver's license or other identifying documents for this purpose, including verification of your tax identification number.
